

Services for Independent Living's Equipment Program provides individuals with disability-related equipment at no cost when they have no other means to obtain the items.

We accept donations of new and gently used medical equipment and incontinence supplies to maintain the program. Monetary donations are also appreciated.

Please contact SIL at 216-731-1529 to schedule an appointment for all donation drop offs.

After donations have been received, a tax receipt letter will be provided to you.
